Discover “Quinta dos Cortezãos,” a remarkable property rich with history and potential, located between Tunes and Algoz. This expansive farm spans nearly 8 hectares and offers a unique opportunity for development, whether for agriculture, agrotourism, or both.

The property includes two urban parcels: one with 144 square meters of built area and another with 95 square meters. Numerous outbuildings across the estate, traditionally used for animal shelter and storage, provide ample flexibility for repurposing.
