In the hills of Santa Catarina da Fonte do Bispo you will find this authentic quinta. The house is surrounded by beautiful nature and the plot borders directly on a river.
The quinta consists of a cozy living room and from this nice space you enter the adjacent kitchen, which has recently been renovated. The kitchen has a dishwasher, stove with extractor hood and an oven and is finished with a beautiful natural stone counter top. From the kitchen there is access to a room that is currently used as storage space. This room could possibly be transformed into an extra bedroom. The living room also offers access to an office. Through the living room you enter a hallway with access to 2 bedrooms and a bathroom.

The annex can be reached separately and has its own terrace which offers a lot of privacy with access through the glass front to the very spacious bedroom with air conditioning. There is an en-suite bathroom with walk-in shower, beautiful sink, toilet and bidet. The annex has a kitchen (with old bread oven) so that the entire space can be used for example for family visits or possibly rental. On the side of the annex there is a simple extra shower room with toilet. The authentic old cellar has a staircase to the roof terrace.

For the main house there is a large covered terrace, where you can relax with a view over the plot and the beautiful nature of the surrounding hills. In the distance you can see some other houses, so despite the silence and tranquility you are not isolated. The plot has several nice seating areas and has automatic irrigation for the landscaped garden. From Santa Catarina da Fonte do Bispo it is about a 15-minute drive to the property.
