Luxury apartments with spacious terraces and a swimming pool, located near Albufeira Centre.

The apartments will be built including:

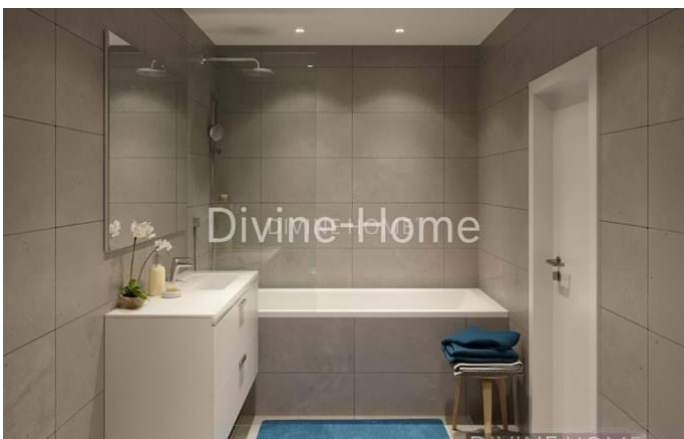

- Fully fitted kitchen with Bosch appliances all A +++
- Terraces with BBQ
- Panoramic views due to the large floor-to-ceiling windows providing beautiful natural light going in
- Double glazing
- Air conditioning
- Automatically controlled roller blinds
- Video intercom
- 2 parking spaces in the parking garage
- 5 years construction guarantee

These apartments are sold off-plan and will be completed second half of 2019. It is already possible to visit properties to show the quality of the materials used.

The condominium has apartments from 1 bedroom to 4 bedrooms; a total of 41 apartments. The swimming pool is located on the rooftop terrace and offers a wonderful panoramic view. A closed garage underneath the building is providing each apartment 1 or 2 parking spaces.

It is possible to purchase a furniture package; your apartment can be furnished and decorated as you wish (not included in the price). More information? Please contact us.

A full price list of available apartments can be downloaded from this page.
