

Tavira

215,000 €

Ref: SSF001-B

2 bedroom, 2 bathroom apartments under construction in Tavira.

These apartments, of a total of 19 apartments being built with high-quality materials, are located just under 2 kilometers of the well-known Roman Bridge in the centre of Tavira. At 2,5 kilometers from the apartment, you can take the Ferry to the long stretched golden beach of Tavira Island.

The entrance of the apartment leads into the open lounge with air-conditioning and direct access to the exterior. Interior sliding doors give you the possibility to have the kitchen open or closed. The kitchen comes fully equipped with Bosch electrical appliances; induction hob, oven, extractor fan, microwave, American style fridge/freezer, dishwasher and washing machine.

To the other side in the lounge are the two bedrooms, both with built-in wardrobes, air-conditioning and access to the exterior. One bedroom has an en-suite bathroom whilst the other bathroom is just out of the second bedroom.

Both bathrooms have underfloor heating.
